APPLICATION FOR PATENT TERM ADJUSTMENT (Request for Reconsideration of PTO's Patent Term Adjustment Determination) (37 CFR 1.705(d))

Sir,

Applicant requests reconsideration of the Office's Patent Term Adjustment (PTA) Determination. In particular, applicant believes the 1642 day PTA listed on the PTO's Patent Term Adjustment page on PAIR is incorrect; the correct PTA is believed to be 2772 days.

WYC:lmp 01/20/10 P0993 PATENT

Statement of Facts

The calculation of PTO Delay is believed to be in error; Applicant submits it is longer than the 1642 days indicated on the Office's PAIR Patent Term Adjustment page (attached).

In particular, Applicant believes both "14 Month to First Action" and "3 Year to Issuance" delays should have been credited in accordance with the decision of the Federal Circuit in *Wyeth v. Kappos*, Appeal 2009-1120, January 7, 2010.

The Office computed its delay as including 613 days of 14 Month to First Action Delay, 49 days of other Examiner delay, and 1142 days of Appeal. However, no 3 Year to Issuance delay appears to have been credited.

This application was filed on September 26, 2000, and is scheduled to issue on February 2, 2010.

Applicant submits that – properly computed – a 3 Year Delay period began on the third anniversary of the filing date (i.e., September 26, 2003), and extends until the issue date (i.e., February 2, 2010), or 2321 days.

None of this 3 Year Delay period overlaps the 14 Month to First Action delay. However, this 3 Year Delay period wholly encompasses both the 49 days of other Examiner delay, and the 1142 days of Appeal delay.

Applicant thus believes the correct PTA should be 2772 days, computed as follows:

613 days
2321 days
-162 days
2772 days

14 Month Delay
3 Year Delay
Applicant delay

WYC:lmp 01/20/10 P0993 PATENT

There was no circumstance constituting a failure to engage in reasonable efforts to conclude processing or examination of the application – other than those already considered in the PTO's earlier determination of patent term adjustment.

Respectfully submitted,

DIGIMARC CORPORATION
